

BCBA/BCaBA Request to Return from Voluntary Inactive Status Application

Overview

Certificants who have been on voluntary inactive status for less than four years and wish to reactivate their certification must submit a Request to Return from Voluntary Inactive Status Application. If you have been inactive between year 2–4, you must obtain 8 CEUs in the 12-month period prior to reactivation in order to apply to return from Voluntary Inactive Status. These obtained CEUs do not count toward your recertification. Once your certification is reactivated, your recertification cycle will restart where it was paused. For example, if you went inactive eight months into your cycle, you will have 16 months until you must recertify (and meet the recertification requirements for [BCaBA](#) or [BCBA](#)).

If you do not submit a Request to Return from Voluntary Inactive Status Application (and receive approval of your application) within four years of your inactivation date, your certification will expire to the date it was last active (i.e. date placed on voluntary inactive status). Please note that individuals who reside outside of the US, Canada (excluding Ontario*), Australia, and the United Kingdom will not be eligible for certification after January 1, 2023, including through our Qualify via Past Certification option.

**Ontario exclusion only applies to BCaBA certification*

Note: BCaBAs who were placed on voluntary inactive status due to the certification restrictions in Ontario and then relocated to an area under the BACB’s jurisdiction within 4 years of being placed on voluntary inactive status must submit a BCBA/BCaBA Request to Return from Voluntary Inactive Status Application. To learn more, visit the [International Development & Support](#) web page.
